

MEMORANDUM

DATE: April 11, 2025

TO: Past and Prospective Attendees of the GOHS Law Enforcement and Prosecutor Conference

FROM: Director J.M. "Jesse" Torrez

RE: Important Update Regarding Arizona Governor's Office of Highway Safety (GOHS) Law Enforcement and Prosecutor Training Conference

This memo is to provide you with an update regarding our annual GOHS Law Enforcement and Prosecutor Conference. Due to unforeseen federal constraints, we will unfortunately be unable to host the conference this year.

However, we remain deeply committed to providing high-quality training and fostering collaboration between law enforcement and prosecutors. To that end, we are actively developing a series of targeted regional workshops throughout Arizona.

Our State Drug Recognition Expert (DRE) Coordinators are diligently working to finalize the dates and locations for these valuable workshops. We are excited about the opportunity these regional events will provide for more localized and focused training.

Further details, including schedules and registration information, will be shared as soon as they are confirmed. We encourage you to stay informed and look forward to your participation in these regional initiatives.

Thank you for your continued dedication to professional development. We value your partnership and anticipate engaging with you at the upcoming workshops.

Best regards,

J.M. "Jesse" Torrez

Director
