

## **Children Are Priceless Passengers (CAPP)**

Tucson Medical Center, the Governor's Office of Highway Safety and the City Courts have partnered to improve child car seat safety use in Pima County. The goal is to address issues of education, enforcement and public awareness. TMC is the only host site in Pima County offering the CAPP program.

### **Over 84% of car seats are improperly installed in family vehicles**

Classes are open to drivers cited for a car seat violation and to members of the public. The class curriculum focuses on the importance of using an age and weight appropriate child passenger seat and also on proper installation. At the completion of the class an age and weight appropriate car seat is given to those that need one. The seats available are intended for children from 5 – 100 pounds.

Registration for the CAPP program is simple! Visit <https://www.tmc.az.com/events/> and type in the keyword Children Are Priceless Passengers. Fee is **\$35 per registrant** or if you have more than one child restraint violation, there will be a **\$35 fee per violation**.

### **English and Spanish CAPP classes are held once a month on Sunday from 9 to 11 a.m.**
