

## **CAPP**

### **Children Are Priceless Passengers Program**

Tucson Medical Center, the Governor's Office of Highway Safety and the City Courts have partnered to improve child car seat safety use in Pima County. The goal is to address issues of education, enforcement and public awareness. TMC is the only host site in Pima County offering the CAPP program.

Classes are open to the community and anyone in need of a child safety seat. The seats available are intended for children from 5 – 100 pounds. The class curriculum focuses on the importance of using an age and weight appropriate child passenger seats and also on proper installation.

**Over 84% of car seats are improperly installed in family vehicles**

The CAPP program gives cited drivers this alternative - attend an educational class with the opportunity to receive a child safety seat upon completion of the class. Citation fines are issued at **\$136 or more**, while attendance in the CAPP program is only **\$35**. Two-hour classes held at TMC are available to drivers cited for a car seat violation and to members of the public.

Registration for the CAPP program is simple! Visit <https://www.tmcaz.com/events/children-are-priceless-passengers> or call (520) 324-4475. CAPP program classes are available in both English and Spanish.

**English classes are held on the following Sundays from 9 a.m. to 10:30 a.m**  
**Spanish classes are held on the following Sundays from 10:30am to 12pm**
