

Vision: America's Safest Highways

Mission: The Arizona Governor's Office of Highway Safety (GOHS) is the focal point for highway and traffic safety issues in Arizona. GOHS is an independent cabinet agency that provides leadership and funding in developing, promoting and coordinating programs; influencing public and private policy; and increasing public awareness of highway and traffic safety throughout Arizona.

Agency Description: The Arizona Governor's Office of Highway Safety (GOHS) funds programs that target speed reduction, decrease impaired driving, reduce wrong way driving incidents, increase seat belt and child safety seat usage as well as motorcycle safety awareness and driver distractions that result in traffic fatalities and injuries on our streets and highways. GOHS provides grant funding to law enforcement agencies, fire departments, fire districts and non-profit organizations throughout Arizona, including other state agencies.

Executive Summary: Every federal fiscal year, GOHS develops and implements the Arizona Highway Safety Plan that supports law enforcement agencies statewide with the necessary funding for overtime, equipment, awareness, and training to aid in effective measures to reduce statewide traffic fatalities and serious injuries.

GOHS is strategically focused on highway safety issues including, but not limited to:

1. Reduce statewide traffic fatalities, crashes, and serious injuries
2. Decrease impaired driving crashes and fatalities
3. Decrease street racing, speed and reckless driving
4. Decrease pedestrian & bicyclists fatalities and injuries
5. Decrease motorcycle fatalities
6. Educating Arizona citizens on the importance of seat belt and child safety seat usage and the dangers of distracted driving
7. Decrease Wrong-Way Driving Incidents and Fatalities

Summary of 5 Year Strategic Priorities

#	Multi-Year Strategy	Start Year	Progress / Successes
1	Increase Statewide DUI Training	2018	<ul style="list-style-type: none"> • Continue expanding the tablet-based Drug Recognition Expert (DRE) database for Arizona • Implement new phlebotomy training with community colleges statewide • Completed 1,318 impaired driving training classes for 2020 • Completed training for 6,536 officers at 90 law enforcement agencies, who issued a total of 6,535 electronic search warrants in 2020
2	Decrease Distracted Driving fatalities	2021	<ul style="list-style-type: none"> • With A.R.S. 28-914 taking affect December 31st, 2020, implementing distracted driving awareness, law enforcement can issue citations
